

Making Changes to your Short Shoot Policy

You are now able to make the following changes to your Short Shoot Insurance policy after your purchase. Amendments to the coverage cannot be back dated. **No other types of changes to your policy can be made online.**

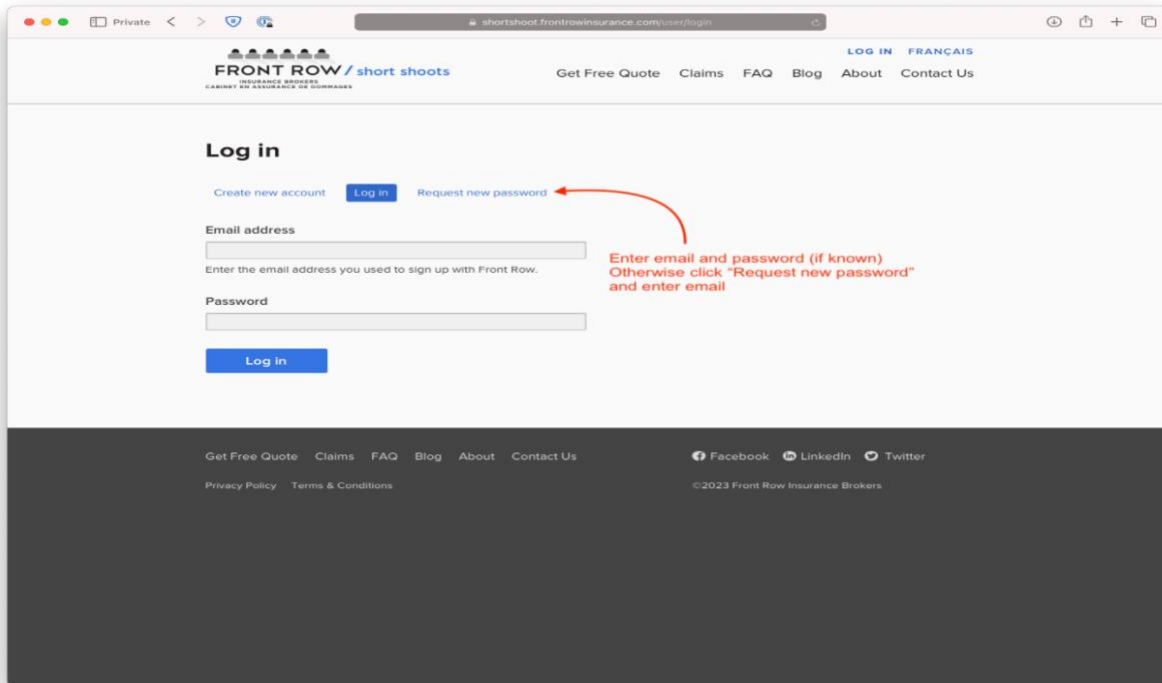

1. Increase your Rented Equipment Limit
2. Add Rented Equipment Coverage
3. Increase your Commercial General Liability Limit
4. Add Commercial General Liability coverage

Process

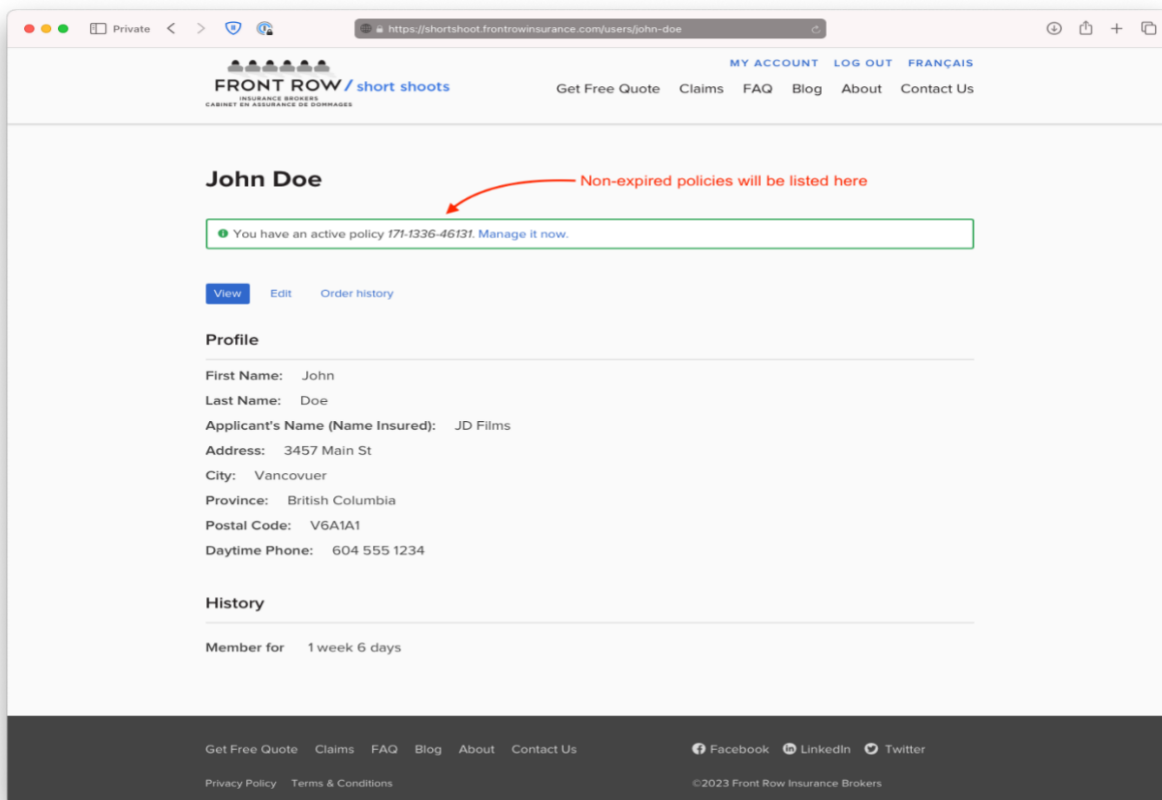

1. Go to the Front Row short shoot portal: <https://shortshoot.frontrowinsurance.com/>
2. Log into your account – log in button is in the top right corner of the landing page

3. Enter the email address used when purchasing the coverage
4. Enter the Password used when purchasing the coverage (if you forgot your password, you can request a new password)
5. Log In

6. The following page will pop up

7. Right Click 'Manage it now'

The following screen will pop up. You just need to answer the questions to proceed.

The screenshot shows a web browser window with two tabs: 'Increase Coverage Limits | Short' and 'Short Term Production Insurance'. The URL is <https://shortshoot.dev.enzia.com/policy/46131>. The page header includes the 'FRONT ROW / short shoots' logo, 'PRODUCTION INSURANCE', and 'CABINET EN ASSURANCE DE DOMMAGES'. Navigation links include 'Get Free Quote', 'Claims', 'FAQ', 'Blog', 'About', and 'Contact Us'. There are also links for 'MY ACCOUNT', 'LOG OUT', and 'FRANÇAIS'. The main content area is titled 'Increase Coverage Limits' and contains two sections: 'DOCUMENTS' with links for 'Download Binder PDF' and 'Download Certificate PDF', and 'SUMMARY' with the following details: Territorial Limits (Canada only), Name Insured (JD Films), Address of Insured (3457 Main St, Vancouver BC, Canada, V6A1A1), Policy Number (171-1336-46131), and Policy Term (31-05-2023 - 15-06-2023 12:01am at insureds address (Date represented day-month-year)). A question asks if production activities include stunts, scenes involving animals, underwater shooting, motorcycles, snow machines, special vehicles, aircraft, drones, unmanned aerial vehicle, watercraft, snowmobiles, ATVs, railroad cars or equipment, fire sequences, explosions, or any other possible hazardous activity, with the answer 'No'.

The screenshot shows the same web browser window, but the main content area is a questionnaire. The questions and answers are: 'Has the Applicant or producer sustained any losses (insured or uninsured) during the last two years which would have been covered under this type of insurance?' (No), 'Has the Applicant or producer had any form of insurance declined?' (No), 'Has any underwriting information changed from your original online application? Your underwriting information is noted above.' (Dropdown menu: - Select -), and 'Is your total production budget under \$250,000 Canadian dollars?' (Dropdown menu: - Select -). Below the questionnaire is the 'EXISTING COVERAGE' section with the following details: Full Replacement Value of All Rented Equipment (\$100,000), Increase to (optional) (input field), Commercial General Liability (\$5,000,000), Commercial Vehicle Physical Damage Coverage (None), and Props/Sets/Wardrobe (Not Covered). A blue button labeled 'Increase Coverage Limits' is at the bottom.

8. Once you have completed the questions and requested the limit changes, hit the 'Increase Coverage Limits'.

You will receive a quote, and if you wish to proceed then you just complete the payment process.
